

HAIGHT FAMILY
DENTISTRY

To Whom it may concern,

7/8/13

I was very pleased with the survey Jeff Hobbs did to increase the cost segregation of my dental office building in Plano Texas. They were done in 8 weeks and worked seamlessly with my CPA. They were able to save me \$47,000 on my taxes this year.

If you have any questions you can email me at fhaight@airmail.net

Thanks,

Dr Fred Haight
